

Enlightening Young Minds

## **ANNUAL REPORT – AY 2023-24**

The academic year 2023-24 was immeasurably splendid proving that great things are not done by impulse, but by a series of small things brought together. Our team work was tremendous resulting in admirable outcomes. As we share the yearly updates of our activities, we take the gratification to say that we did our best to do as we had planned and we are proud of our students and teachers who strive hard to achieve beyond their potential. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality, as academic session witnesses repositioning, restructuring & refocusing

This annual report provides a comprehensive overview of the activities and events conducted at Jain Public School, JP Nagar, in the academic year 2023-24. Our initiatives encompass a wide range of educational, cultural, and extracurricular endeavors aimed at fostering holistic development among our students.

### **Our Vision**

We envision young children growing up into intelligent, perceptive, confident, cultured and responsible young adults within a safe and supportive environment. We focus on holistic education, developing values, morals, empathy and integrity. Our children grow up to be supportive adults, caring about community, country and the world.

Our annual academic planner is designed to achieve the set goals and visions.

It is an enduring tradition to take time to pause, turn around to look at the fruitful year gone by, achieving both the expected and the unexpected, while setting various milestones and then synergizing ourselves to move ahead to face the challenges in the coming year.

**‘We congratulate our second batch of class 10 students for achieving 100% results and passing with flying colours’**

### **Academic Excellence**

**"Excellence is an art won by training and habituation".**

The system of education in JPS, is a blend of theory and practice in the right proportion to arrive at a comprehensive curriculum.

Robotics and STEAM activities have been restructured to reinforce a scientific temperament among the students and encourage them to take initiatives to explore, experiment, innovate and invent. Enrichment activities and learning French as a foreign language are conducted to inculcate life skills and values in the children for their Social and emotional development.

### **Co-curricular Activities and Extra-Curricular Activities:**

We not only focus upon the intellectual development of our future generation, but also take care of their emotional and behavioural development in their early ages inculcating sound moral values, responsibility and social awareness through different co-curricular activities like quiz, role plays, talk shows, speeches, advertising and marketing, culinary skills, which were some of the most popular activities on the show.

Keeping in view the all-round development of the students, extra-curricular activities are also given due importance. Gymnastics, Dance, music, Art and Craft, Yoga, Aerobics, Physical education, are given due importance in the academic planning. Students are encouraged and lauded for their participation in these activities.

Enrichment activities provided students with opportunities to develop life skills, critical and creative thinking, problem-solving abilities, and values. Hands-on science activities facilitated experiential learning, integrating science with art and promoting interdisciplinary understanding.

Student council elections provided students with an understanding of democratic processes and leadership roles. The investiture ceremony felicitated student leaders, instilling a sense of responsibility and leadership among them.

A capacity building workshop on NEP 2020 enhanced teachers' understanding of key educational policy highlights. The school served as a venue for various teacher training sessions, enhancing teaching effectiveness and pedagogical skills.

A social awareness program focused on student safety and substance abuse prevention was conducted in collaboration with the Karnataka Police Force. A session on time management imparted valuable life skills to students, emphasizing the importance of managing time effectively.

Recognizing the importance of sports in overall development, dedicated time for sports activities was allocated, fostering physical fitness and competitive spirit among students. It culminated with organizing sports competitions, fostering camaraderie and sportsmanship among students on the Sports day. The students were felicitated for their sports skills in various games.

Field trips provided students with hands-on exploration and learning beyond the classroom environment. A visit to the IISc Science Camp engaged students in scientific exploration and provided insights into ongoing research.

Students participated in the Ek Bharat Shrestha Bharat project, conducting research and promoting cultural exchange between states.

Students showcased their talents in various competitions, promoting artistic expression and creativity. Students honed their diplomatic skills and critical thinking abilities through participation in the Model United Nations delegation.

Independence Day was commemorated with patriotic fervor, showcasing cultural performances and a flag hoisting ceremony. The 67th Kannada Rajyotsava was celebrated, highlighting the cultural richness of Karnataka and fostering pride among students. Republic Day festivities included flag hoisting, cultural performances.

The annual day program, aptly titled 'The Jain Fiesta', showcased diverse talents through captivating performances, fostering creativity and inclusivity among students. The graduation ceremony of Grade 10 students marked their successful completion of academic milestones, celebrated with gratitude towards the school.

The school celebrated French Day, showcasing cultural diversity and promoting language learning among students. Students across all classes celebrated World Environment Day through various activities, raising awareness about environmental conservation. Activities commemorating International Yoga Day promoted physical and mental well-being among students.

The school celebrated French Day, showcasing cultural diversity and promoting language learning among students. The National Science Day was also celebrated by honoring the contributions of Indian scientists through engaging demonstrations and cultural performances.

Christmas was celebrated with messages of love, sharing, and humanity, promoting joy and camaraderie among students and teachers. The Onam festival was celebrated, promoting cultural diversity and traditional values among students.

The activities and events conducted at Jain Public School, JP Nagar, reflect our commitment to holistic education, fostering academic excellence, cultural enrichment, and personal development among our students. We remain dedicated to nurturing future-ready citizens equipped with the skills and values to thrive in a dynamic world.
